

Corrigendum

**Corrigendum to “Studies directed towards the synthesis of  
botcinolides: synthesis of the nonalactone ring of 2-epibotcinolide”**  
[Tetrahedron Lett. 47 (2006) 4917]

Tushar Kanti Chakraborty\* and Rajib Kumar Goswami

---

The product obtained during the Yamaguchi macrolactonization of hydroxy acid **19** was the nonalactone ring of 2-epi-8-epibotcinolide and not of 2-epibotcinolide as mistakenly claimed earlier. The authors sincerely regret the error.
